## Find-An-Exhibitor Listing

Attached to your kit letter you will find our web page print-out of exactly how your company appears in our "Find-An-Exhibitor" section of the Michigan Restaurant Show website. You can view your listing on our website at michiganrestaurantshow.org

Visitors to the website can find you by the categories listed on this page or by your company name.

Our Show Program will list you as you in alphabetical order as well as by category. Those who do not find a web page attached and who do not respond will be listed only alphabetically in the show program.

You will not be listed on our website until we have received your product category selection.

Please review this information and contact Show Concierge if you wish to make any changes.
